The Hiring Manager

TechNova Solutions Pvt. Ltd.

Science City Road, Ahmedabad, Gujarat – 380060

Subject: Application for the Position of Software Engineer

Dear Hiring Manager,

I am writing to express my strong interest in the Software Engineer position at TechNova Solutions Pvt. Ltd., as advertised on your company website. With a Bachelor's degree in Computer Science from the Ahmedabad University and over two years of hands-on experience in full-stack development, I am confident in my ability to contribute meaningfully to your engineering team.

During my previous role at InfoSys Technologies, I was responsible for designing and implementing RESTful APIs, maintaining cloud-based microservices, and collaborating closely with cross-functional teams to deliver high-quality software on schedule. I am proficient in Java, Python, React.js, and MySQL, and I have experience working in Agile environments.

What excites me most about TechNova Solutions is your commitment to innovation and your focus on scalable, user-centric products. I am eager to bring my technical skills and collaborative mindset to your team and help drive meaningful results.

I have enclosed my resume for your review and would welcome the opportunity to discuss how my experience aligns with your requirements. Thank you for considering my application. I look forward to hearing from you.

Yours sincerely,

Arjun Mehta

RECOMMENDATION LETTER / LETTER OF APPRECIATION

Dr. Priya Sharma

To Whomsoever It May Concern

Subject: Letter of Recommendation for Mr. Arjun Mehta

Dear Sir/Madam,

It is with great pleasure and without any reservation that I recommend Mr. Arjun Mehta for the position he is applying for. I have had the privilege of working with Arjun for over two years at TechNova Solutions, where he served as a Software Engineer under my direct supervision.

Throughout his tenure, Arjun demonstrated exceptional technical expertise, particularly in backend development and system architecture. He consistently delivered projects ahead of schedule while maintaining the highest standards of code quality. His ability to identify problems and implement effective solutions has been invaluable to our team.

Beyond his technical skills, Arjun is a dependable and enthusiastic team player who communicates effectively with both technical and non-technical stakeholders. He takes initiative, mentors junior colleagues, and approaches every challenge with professionalism and a positive attitude.

I am confident that Arjun will be a tremendous asset to any organization fortunate enough to have him. Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Dr. Priya Sharma

Senior Manager – Engineering

TechNova Solutions Pvt. Ltd.

EXPERIENCE CERTIFICATE / EMPLOYMENT VERIFICATION LETTER

TechNova Solutions Pvt. Ltd.

Science City Road, Ahmedabad, Gujarat – 380060

To Whomsoever It May Concern

Subject: Experience Certificate for Mr. Arjun Mehta

This is to certify that Mr. Arjun Mehta, holding Employee ID TN-2024-087, was employed with TechNova Solutions Pvt. Ltd. as a Software Engineer from March 1, 2024 to May 31, 2026.

During his employment, Mr. Mehta was responsible for the design, development, and maintenance of software applications using Java, Python, and React.js. He worked extensively on cloud migration projects and contributed to the successful delivery of multiple client-facing products. He consistently performed his duties with diligence, professionalism, and a high degree of technical competence.

His conduct and performance throughout his tenure were exemplary. We wish him the very best in his future endeavours.

This certificate is issued upon the request of Mr. Arjun Mehta for whatever purpose it may serve.

Authorized Signatory

Ms. Anita Verma

Head of Human Resources

Infovision Technologies Pvt. Ltd.

SG Highway, Ahmedabad, Gujarat – 380054

Subject: Expression of Interest – Software Development Role

Dear Ms. Verma,

I am reaching out to express my sincere interest in potential career opportunities within Infovision Technologies Pvt. Ltd. Although I am not aware of a specific current opening, I believe that my professional background and technical skill set would align well with your organization's needs and growth trajectory.

I hold a Bachelor's degree in Computer Science and have approximately two years of experience as a Software Engineer specializing in full-stack web development, cloud computing, and API integration. I am proficient in Java, Python, React.js, and cloud platforms such as AWS and Azure. I take pride in building scalable, secure, and efficient software solutions.

I have closely followed Infovision's work in enterprise software modernization and have been consistently impressed by your innovative approach. I am particularly interested in contributing to projects that involve cloud transformation or digital product development.

I would be grateful for the opportunity to discuss how I might contribute to your team. I have attached my resume for your reference. Thank you for your time and consideration.

Yours sincerely,

Arjun Mehta

Subject: Follow-Up Regarding Interview for Software Engineer Position

Dear Ms. Verma,

I would like to take this opportunity to thank you and the interview panel for the time you dedicated to meeting with me on May 28, 2026, to discuss the Software Engineer position at Infovision Technologies Pvt. Ltd. It was a pleasure learning more about the role and the company's vision.

Our conversation has only strengthened my enthusiasm for this opportunity. I was particularly inspired by your team's focus on building scalable cloud-native applications and your commitment to continuous innovation. I am confident that my experience in full-stack development and cloud computing would allow me to make a meaningful contribution from day one.

I remain very interested in joining your team and would welcome any further discussions or assessments you may require. Please do not hesitate to contact me if you need any additional information or documentation.

Thank you once again for your time and consideration. I look forward to hearing from you regarding the next steps in the selection process.

Yours sincerely,

Arjun Mehta

Ms. Anita Verma

Head of Human Resources

Infovision Technologies Pvt. Ltd.

SG Highway, Ahmedabad, Gujarat – 380054

Subject: Declination of Job Offer – Software Engineer Position

Dear Ms. Verma,

Thank you very much for offering me the position of Software Engineer at Infovision Technologies Pvt. Ltd. I genuinely appreciate the time and effort your team invested in the recruitment process, and I was honoured to receive such a generous offer.

After careful consideration, I regret to inform you that I must respectfully decline the offer. This was an extremely difficult decision, as I have great admiration for Infovision and the work your team does. However, I have decided to accept another opportunity that is more closely aligned with my long-term career goals at this time.

I hope that our paths may cross again in the future, and I would welcome the possibility of working together under different circumstances. I wish you and the entire Infovision team continued success.

Thank you once again for your kindness and consideration throughout this process.

Yours sincerely,

Arjun Mehta

RESIGNATION LETTER

Arjun Mehta

Software Engineer – TechNova Solutions Pvt. Ltd.

Dr. Priya Sharma

Senior Manager – Engineering

TechNova Solutions Pvt. Ltd.

Science City Road, Ahmedabad, Gujarat – 380060

Subject: Resignation from the Position of Software Engineer

Dear Dr. Sharma,

I am writing to formally notify you of my resignation from the position of Software Engineer at TechNova Solutions Pvt. Ltd., effective June 30, 2026. I am providing one month's notice in accordance with my employment contract.

This decision was not made lightly. Working at TechNova has been an incredibly rewarding experience, and I am deeply grateful for the opportunities for growth, learning, and collaboration that this role has provided. I have gained invaluable technical and professional skills during my time here, and I will always look back on these years with great fondness.

I have accepted a new opportunity that I believe will be the right next step for my career development at this point in time. I am fully committed to ensuring a smooth and thorough handover of my responsibilities. I am happy to document my current projects, train a replacement, and assist in any way that will minimize disruption to the team.

Thank you for your guidance, mentorship, and support throughout my tenure. I hope to stay in touch and maintain the professional relationships I have built here.

Yours sincerely,

Arjun Mehta

Software Engineer

TechNova Solutions Pvt. Ltd.
